Call for Papers

The 4th Int'l Conference on Soil Remediation and Plant Protection (SRPP 2022)
www.novevents.org/conference/SRPP2022/

Invitation

The 4th Int'l Conference on Soil Remediation and Plant Protection (SRPP 2022) will be held during November 25-27, 2022 in Guilin, China. This Conference will cover issues on Soil Remediation and Plant Protection. You are invited to submit papers and participate in our academic exchange.

Date： November 25-27, 2022

Venue： Guilin, China

Attendance Methods

1. **Full Paper submission**

Submit full paper (Regular Attendance + Paper Publication + Presentation)

One author will be invited to make an oral presentation and the paper will be published by peer-reviewed open access journal and submitted to CNKI and Google Scholar for indexing.

2. **Abstract submission**

Submit abstract (Regular Attendance + Abstract + Presentation)

You are welcome to submit abstract for oral presentation or poster presentation.

3. **Regular Attendance** (No Submission Required)

You're also welcome to attend our conference (without submitting full paper or abstract).

Publication

Publication: All the accepted papers will be published by a peer-reviewed open access journal that can ensure the widest dissemination of your published work.

Index: CNKI and Google Scholar

Note: 1. If you want to present your research results but do NOT wish to publish a paper, you may simply submit an Abstract.

2. The simple Abstract submission should include the title, contents, keywords, authors names, affiliations and emails. The length is suggested to be controlled within 1 page and no more than 2 pages.

3. You will receive the review results within 3-5 working days after submission. If you do not get any notification within the time limit, please contact us as soon as possible.

4. You are welcome to submit papers in Chinese and please contact us for more details.
