

# MMCD 2023

2023 The International Conference on Molecular Medicine and Clinical Diagnosis (MMCD 2023) will be held during November 25-27, 2023 in Sanya, China. This Conference will cover issues on Molecular Medicine and Clinical Diagnosis. MMCD 2023 dedicates to creating a stage for exchanging the latest research results and sharing the advanced research methods.

## CALL FOR PAPERS

Biomarkers & Diagnostics  
Cell and Gene Therapy  
Clinical Pathology and Chemotherapy  
Diagnostic Genetic Testing  
Diagnostic Biochemistry  
Diagnosis in Nanomedicine  
Diagnostic Molecular Pathology  
Diagnostic Pathology  
Diagnoses and Conflict Sets  
Diagnosis with Failure Modes  
Diagnostic Testing  
Hematopathology  
Inflammatory and Infectious Diseases  
Integrated Disease Management  
Strategies  
Molecular Pathology  
Molecular Drug Designing  
Molecular Modeling and Dynamics  
Molecular Genetics  
Molecular Virology  
Molecular Medicine  
Medical Diagnosis  
Molecular Microbiology  
Molecular Biomarkers  
Molecular Diagnostics and Therapeutics  
Nuclear Medicine & Molecular Imaging  
Stem Cell & Regeneration  
Surgical Pathology  
Other related topics

### Venue

Sanya is superior in geography climate and natural resources. It is known as "the oriental Hawaii" and "Sunshine City" because of its special tropical scenes as well as its attractive nature. Sanya's tourist resources, richly endowed by nature, are not only special in China, but also rare in the world. It is a most fashionable place where tropical marine tourist resources are closely concentrated and lovers of swimming can enjoy their holidays in winter.
